Ship Bottom News

The SBTA Leadership team has been in touch with Sen. Van Drews' office, who have been in touch with USPS. The Post Office "is before their renewal team, meaning that they do plan on reopening at the new location" (in the new borough hall building). There is still no timeline. Full postal services will remain at the main branch in Long Beach Township.

We asked about street paving plans going forward:

The Gas company is going through town fixing many of the roads where they did not patch properly. The street re-pavement typically coincides with our water/sewer main replacement projects. The plan for which streets need to be done evolves as needed and changes based on need.
